

## STEM ENRICHMENT AT ARLINGTON

Get ready to have a BLAST while exploring the world of aerospace engineering! Use the Engineering Design Process each week to design, create, test, and refine a variety of flying machines. Construct a shock absorbing system designed to protect two marshmallow astronauts in a lunar vehicle, create their own air- powered rockets, design a propeller plane that actually takes flight, and more! Bring each lesson's build and continue the engineering fun at home.

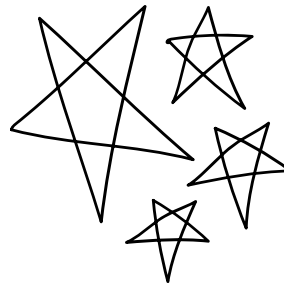

**Dates:** Tuesdays for 6 weeks  
Mar 6, 13, 20 Apr 3, 10, 17

**Time:** 3:15 - 4:15 PM

**Location:** lunch tables

**Grades:** 1st-5th

**Price:** \$102.00

Class minimum must be met by Feb 27 for the program to run, so don't wait to sign up!

We have an awesome Kelvin Guarantee for our programs!

### REGISTER ONLINE

Arlington Parents – We have a **New!** registration system!

**Step 1:** Go to [www.engineeringforkids.com/beachcitiesla](http://www.engineeringforkids.com/beachcitiesla) and click on the green "View Schedule & Register" banner.

**Step 2:** Find Arlington's 3, 2, 1... Blastoff! program under "Torrance After School Locations".

**Step 3:** Click on  icon to enroll. Click on "Create an Account" link in the pop-up box.

**Step 4:** Fill out parent information and add student information.

**Step 5:** Proceed to "Checkout", agree to terms, and enter payment information.

**Step 6:** Click "Continue my Purchase" and complete the enrollment. Look for a confirmation email!
