

Arlington Elementary Has Gone Green!

The Arlington PTA is inviting you to go green by receiving the weekly ***Parent Information Packet*** (PIP) and the monthly ***PTA Newsletter*** via email.

To sign up, visit the school's website at <http://www.arlingtonpta.com>, click on "Join the e-mail list" and go through the steps. **If you have already joined the e-mail list, you do not have to sign up again.**

After you sign up, you will receive an email notification every week informing you that the *Parent Information Packet* (along with all of its attachments) has been posted. Once a month you will receive an email notification that the monthly *PTA Newsletter* has been posted.

Please complete the information below and return it to your child's teacher to let Loretta Alvillar and Ron Uyema, the PIP and Newsletter Chairpersons, know if you have signed up on the web site. You will no longer receive a hard copy of the *Parent Information Packet* or the *PTA Newsletter*.

Student Name(s)

Room #(s): _____

Email address: _____
