Common Core State Standards

- Learn about the new Common Core State Standards
- Common Core Implementation by 2014-2015
- English Language Arts/Math Workshops
- Overview of the Local Control Funding Formula (Budget)
- Q & A with District Administrators

Teacher Led Breakout Sessions:

Parents will have the opportunity to experience actual Common Core lessons in order to better understand how Common Core will change classroom instruction and how it will affect their student in the classroom. The sample lessons will cover English Language Arts and Math curriculum at different grade levels.
